### GROUP EXERCISE CLASS DESCRIPTIONS

- **Barre:** A low impact total body workout combining the movement of Pilates, Yoga and Body sculpting using light weights, gliders, small balls and bands.
- **Body Blast:** Using a bar and weighted plates, this class is a total body weightlifting class all set to upbeat energizing music. The entire body will be sculpted and strengthened.
- **Body Sculpting:** An overall body shaping and firming class using weights and the body's own resistance to perform strength building exercises. Both upper and lower body are emphasized during the workout as well as abdominal training, ending with an emphasis on flexibility.
- **Cardio Strength Training for the Mature Adult:** A muscle conditioning class which focuses on the unique concerns of "mature" adult. This class is intense, but the focus is on safety and less impact on joints.
- **Dance Fitness:** This class includes a variety of dance styles such as Latin, jazz and hip-hop with additional strength moves to provide a total body workout!
- **Guts and Glory:** This high energy class begins with a thorough cardio warmup, alternates 45 second interval of various strength training exercises with 15 seconds of rest, and concludes with a Pilates infused core workout and cool down.
- **HIIT (High Intensity Interval Training):** This class is SAFE and easy to follow-NO tricky choreography. Alternating short intervals of Cardio and Muscle conditioning, this workout helps to improve cardiovascular endurance, balance, strength, and flexibility. It's back to the basics of Jumping jacks, squats, push-ups, Planks, CORE conditioning, weight training, burpees, bear crawls, lunges, stations, etc.( A fitness base is recommended before taking this class.)
- **Pilates:** A mind-body exercise method that uses precise movements to strengthen and lengthen the entire body. Suitable for all levels of exerciser.
- **SilverSneakers I® –Classic:** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activity for daily living skills. Handheld weights, elastic tubing with handles and a ball are offered for resistance; and a chair is used for seated and/or standing support.
- **SilverSneakers II® Cardio Circuit:** Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work with hand-held weights, elastic tubing with handles and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, stretching, and relaxation exercises.
- **SilverSneakers® YOGA:** This Yoga class, specifically designed for the senior population, is all done using a chair for support. The Yoga postures will help improve flexibility, strength and balance while enhancing a harmonious mind/body connection.
- **STEP Circuit:** Offering participants the best of both worlds, cardiovascular conditioning and muscle toning, STEP Circuit is a fun variety of STEP... along with muscle conditioning using weights, tubes, or resist-a-balls.
- **Tabatta:** A high intensity interval training class that involves alternating 20 seconds of exercise with a 10 second rest repeated 8 times. The goal is to work at an intensity that exhausts you during the final sets. All levels of exerciser are welcome.
- **YOGA:** This class is appropriate for anyone interested in Yoga – novice through advanced participants are welcome. This class is designed to introduce participants to Yoga postures as well as helping to increase flexibility, strength, balance and mind/body awareness.
- **Yogalates:** A combination of Yoga and Pilates, this class is designed to improve strength, flexibility, balance, and mind/body awareness .
- **Yoga on the Ball:** Beginning with a short meditation, yoga poses and core strengthening exercises are adapted for the Resist-a-Ball.
